Thanks Victor. I've looped in our litigation counsel at Armstrong Teasdale who is handling the matter in the event he and Oscar need to talk.

This guy Mike Becker is somehow still kicking around and is now issuing a subpoena for information

Oscar, would think since Mason's counsel is already engaged here he should coordinate the response?

Or maybe helpful for Mason (+ his counsel) and Oscar to speak directly?

See attached concerning the never-ending, poorly formulated lawsuit that Mike Becker continues to pursue. Apparently quarantine has freed up some time for his lawyers to work on

the cases that are usually on the back-burner. Assuming it reached your desk after proper service, let me know if you want me to coordinate our counsel with yours for the response.

Mason –

These subpoenas were sent to us yesterday evening. Let me know if you'd like to discuss opposing these, or if you're okay with Cardinals Loans and Arena responding.

Thanks,

Chris
